Open Letter

Honorable Minister-President Söder,

On April 19, 2018, Mrs. Gabriele Wittek wrote to you in a personal letter asking whether the procedures described in the letter in connection with a wind turbine erected illegally at a distance of 50 meters from the Land of Peace of the International Gabriele Foundations established by Gabriele Wittek correspond to the Christian values which you publicly champion.

As you know from our invitation to you on the same day, we, as managing directors of the International Gabriele Foundations, are aware of the letter to you. Its receipt has been certified, but to date you have neither confirmed its receipt nor have you responded to its contents. Therefore, we take the liberty of again sending you the letter, addressed to you personally, as an open letter. Surely a broader public will also take note of this letter with interest, as well as of a possible answer from you.

As an attachment, we enclose the magazine “DER SPIEGEL” from May 19, 2018 with the title “The Ghosts of the Vatican – How Criminals and Saints Created a World Power,” to inform you about the significance of the so-called Christian values.

We likewise indicate to you the dogma of the Catholic Church, quoted from the official textbook “*The Christian Faith*,” by Josef Neuner and Jacques Dupuis under Margin Note No. 1005, in which it says:

*[The Holy Roman Church, founded by the word of our Lord and Redeemer,] firmly believes, professes and preaches that “no one remaining **outside the Catholic Church**, not only pagans,” but also Jews, heretics or schismatics, can become partakers of eternal life, but they will go to the “eternal fire prepared for the devil and his angels,” unless before the end of their life they are joined to it (the Church). For union with the body of the Church is of so great importance that the sacraments of the Church are helpful to salvation only for those remaining in it; and fasts, almsgiving, other works of piety, and the exercises of a militant Christian life bear eternal rewards for them alone. “And no one can be saved, no matter how much alms one has given, even if shedding one’s blood for the name of Christ, unless one remains in the bosom and unity of the Catholic Church.”*

Sincerely yours,

Ulrich Seifert

Martin Kübli
